With my signature I accept the terms of contract.

Because of electronic scanning of data we need the original order form by post (not by fax!)

## External quality assessment schemes (EQAS) for direct and/or indirect detection of infectious pathogens

INSTAND requires your confirmation before shipping the samples of the below mentioned EQA schemes.

TN-Nr.

Please understand that INSTAND is not allowed to send you the corresponding samples without your one-time confirmation as EQAS samples may contain infectious pathogens.

please mark by cross

	YES	NO
I confirm that I am authorized to perform direct and/or indirect detection of infectious pathogens. I comply with all relevant legal conditions.	<input type="checkbox"/>	<input type="checkbox"/>
<b>In case you participate in EQA schemes for mycobacteriology No. 423 or 425:</b> In the case of diagnostics for tuberculosis, identification and susceptibility testing will be performed under adequate laboratory safety conditions (according to national guidelines ) I comply with all relevant legal conditions.	<input type="checkbox"/>	<input type="checkbox"/>

In case of requests please contact your corresponding EQAS advisor.

### This form concerns the following EQAS programs:

- No. 412 - Bacteriology A (5 cultures)
- No. 411 - Bacteriology B (3 cultures)
- No. 310-334 - Bacteriol. infectious serology
- No. 490 - Mycology I
- No. 491 - Mycology II
- No. 480 - Mycoserology I
- No. 481 - Mycoserology II
- No. 451-457 - Parasite diagnostics
- No. 421-425 - Mycobacteriology I - V
- No. 335-359 - Virus immunology
- No. 360-377 - Virus genome detection

This form has to be completed only once and is valid also for the following EQA schemes.

In case you have already submitted this form before, you don't need to submit it again.
